Press Release – For Immediate Distribution

Object: Action Housing's New Executive Director – Nathalie Maione

Dear community partners,

I have the great pleasure of announcing that Action Housing has selected Mrs. Nathalie Maione as Executive Director.

Mrs. Maione brings a wealth of experience and expertise in project development, more specifically as the founder of a charitable organization, as well as extensive knowledge of community and social services. She will begin her new position with Action Housing on July 25<sup>th</sup> and will work closely with the Interim Executive Director to complete the transition.

On behalf of Action Housing's Board and team, I would like to welcome Nathalie. We are pleased that she is joining us, in order to help continue the development of our ongoing projects and tackle the challenges that make it difficult for our clientele to obtain housing stability.

Action Housing serves over 2,400 clients every year, each one of them a low-income family or individual living with housing insecurity. Our organisation has been working since 1989 for housing stability. Access to a healthy, safe, and affordable home leads to better health and education outcomes, and increase chances of employability.

Sincerely,
